

DEBIT CARDS CAN NOW BE USED TO BUY CHARITY TICKETS!

The Alcohol and Gaming Commission of Ontario has changed the rules so your customers can now purchase their charity tickets using their debit cards.*

The change was announced by AGCO Information Bulletin #073, dated August 26, 2013.

With this change, players can now purchase charity tickets along with the items they buy in your location and pay for all their purchases using a debit card.

We encourage you to take advantage of the opportunity to remind your customers that they can support a worthy charity or not-for-profit organization by adding \$1 or \$2 worth of charity tickets to their purchase. **Credit cards cannot be used for charity ticket purchases.*

THANK YOU *for* SUPPORTING YOUR COMMUNITY
